Police Vulnerable Sector Check

360°kids is committed to the protection and safety of its clients, participants, employees and volunteers and responsible for recruiting individuals with the personal and professional qualifications essential to ensuring quality and accountable service. Therefore, a 'clear' criminal reference check, is part of the recruitment process for all employees and volunteers.

Any costs associated with obtaining a Criminal Reference Check (Police Vulnerable Sector Check - PVSC) are the sole responsibility of the prospective employee.

360°kids will only accept original PVSC dated no later than six (6) months prior to the application for volunteering.

The results of an unclear police check will be reviewed on a case by case basis with the Human Resources representative and the appropriate Executive team member.

You must submit your Police Vulnerable Sector Check results prior to being accepted as a 360°kids volunteer.
