360° EXPERIENCE

Thursday, March 5th, 2020 | 8:00pm - 6:00am

Where would you go? What would you do?

The 360° Experience is a life-changing event that gives you a real scenario faced by one of our youth.

It will open your eyes to the harsh realities youth face when they don't have a home to go to.

Starting out from 360°kids' Home Base Youth Drop-In Centre, you will take on the night with only the resources a youth might have. At the conclusion of the event, groups will reconvene in the morning at 6:00am back at Home Base for breakfast, discussion and media interviews.

"This is an important cause. Homelessness does not discriminate. They come from different walks of life, but the main idea is to understand the issue of homelessness. By having agencies like 360°kids, we are working towards breaking this cycle" - Dan Zaroski, Retired Principal at Father Bressani Catholic High School, 2019

I have participated in the 360° Experience for the past six years. I do it because I've seen the need and because of all the support 360°kids provide. The organization is incredible! - Bill Snowball, Fire Chief of Whitchurch-Stouffville, 2019
