360°kids GIVE Program

Team building to benefit
youth in need

360°kids has been helping youth in our communities for over 30 years. Our primary focus is providing aid and support to at-risk and homeless youth. It is estimated that on any given day there are over 300 homeless youth in York Region. Family breakdown, addiction issues and abuse are just some of the reasons these youth become homeless but regardless of the circumstances, they are just kids and they don't deserve to suffer the way they do. 360°kids operates a variety of programs to give these kids the support they need to reach a state of safety and stability. We inspire them to rebuild their lives and we help them to overcome the obstacles they face. It is a complete 360° approach to assisting kids and it has been successful in helping thousands of youth become healthy, stable adults who contribute to our communities.

We offer the following programs:

- Nightstop Temporary Housing
- Connections Emergency Housing
- Youth Residential Housing
- Housing and Support for Survivors of Human Trafficking
- Supportive Transitional Apartments for Youth
- Transitions Long-term Housing
- Youth Drop-in Centres
- Youth and Outreach Workers

Corporate GIVE Back Day Program Overview

360°kids opens its doors to corporations who share in our mission to help youth overcome crisis and transition to a state of safety and stability. We believe that 360°kids can provide corporations with meaningful work that benefit the youth we serve.

Our Corporate Volunteer Program gives your team an opportunity to make a meaningful impact on the community, while working as a team to accomplish a shared goal.

360°kids' volunteers are vital in fulfilling our Mission and Vision. Volunteers and the contributions they make are an integral part of maintaining quality and innovation in the services and programs we provide. We strive to provide volunteers with meaningful work where each individual can bring their own experiences and skills to benefit 360°kids while meeting the needs of our programs and clients.

“Volunteers play a vital role in helping 360°kids fulfill its mission of surrounding young people in crisis with care. We are so appreciative of the many ways that volunteers contribute to the organization: they bring expertise, resources, new ideas and new ways of doing things. We hope that, as a volunteer with 360°kids, your experience with us is rewarding to you also and will not be limited to a one-time event but a longer term relationship that will motivate you to share with others. On behalf of the entire 360°kids team, thank you for giving of your time, energy and resources to helping young people know that they really do matter.”

Once a month we like to have a special dinner at our Richmond Hill Home Base. We love to decorate and celebrate St. Patrick's Day, Thanksgiving, Easter, and the Holiday Season. On months where there isn't a calendar holiday, we would select a date and create a fun theme. Five volunteers would prepare the meal, other volunteers would be needed to decorate the room and serve the meal. Volunteers have the option to bring in a catered meal, bring in the groceries for a meal of their choice or help prepare a meal planned by our staff that day. Start time would vary, however, the meal will be served at 5pm. Volunteers would supply decorations and themed table décor.

SUPPORTING ACTIVITIES # 7 TO 12

For the following volunteer activities, the costs involved vary greatly based on the number of youth involved, the number of volunteers, and the nature of the activity. As these events are planned, it is our hope that the volunteers will make a monetary donation to cover costs, bring in the required materials as an in-kind donation, or arrange for their employer to make a donation to 360°kids. Estimated costs for the activities below range from \$200 to \$600.

7. ACTIVE YOUTH

Gather a team and meet our youth at the Dufferin-Clark Community Centre to engage in a game of basketball or dodge ball or both! This activity is available on Thursdays between 4pm and 8pm. We encourage our volunteers to bring snacks for all the participants.

8. FEEDING ACTIVE YOUTH

Located at the Dufferin-Clark Community Centre, our Vaughan Home Base has a small kitchen in which your group will prepare a light dinner for the youth to enjoy after or during their basketball game/activities.

As we plan this meal, we can determine the menu and supplies required. Available Tuesday, Wednesday and Thursday between 4pm and 7pm.

2-3 participants

9. SUPPORTING OUR AFTER SCHOOL PROGRAMS

We run over a dozen After School Programs throughout York Region. Interested groups may provide healthy foods for youth in these programs. To take on this activity, the group leader would be put in touch with the program lead of the ASP.

11. PLAN A DRIVE

Sometimes it is difficult for a group to miss time at work. We can help you organize a food, clothing or gift card drive at work. We keep a wish list on our website which your staff could use to decide on the type of drive you would like to hold. A 360°kids staff member can visit your place of work to start off the drive by giving a brief presentation about our programs. If you deliver the items to our Richmond Hill Home Base, we can arrange for a tour.

12. GIFTS THAT MATTER

Gifts that Matter is our holiday drive. Please check our website for updates in November. Our most popular activity is the “adopt a youth” gift drive. We give you the profile of a youth and your team purchases the holiday gift(s) for that youth.

Schools, Places of Worship, Teams, Families, and Service Clubs Volunteering

We greatly appreciate all groups that want to volunteer and “give back” to their community. If your group is from a school, place of worship, team or service club, and wants to volunteer at 360°kids, we will do our best to schedule you a GIVE Day on a weekend day. Staff will work with you in arranging the activity and the timing of your visit. Your volunteer activity may be one of those listed above, or a more unique activity based on your group, skills and experience.

Camp Day for Kids

Each year over 400 youth participate in our After School Programs located around York Region. In early June we do our best to plan a Camp Day for these elementary aged children as a celebration of the school year and their participation with 360°kids. For many of these kids, this is their only camp experience. The cost of this day is enormous as we bus youth from around the region to a selected day camp. If your company is interested in sponsoring all or part of this experience please contact us by April 1st.

Corporate Sponsorship Opportunities

360°kids holds a number of fundraisers throughout the year that require corporate sponsorship. If your company is interested in such opportunities or developing a partnership with 360°kids, please contact us!
