

TEAM CHALLENGE

About the 360°Experience

The Team Challenge is a powerful, interactive part of the 360°Experience designed for groups, corporate teams, organizations, and individuals ready to make a difference in their community.

Join us for a transformative 7-hour event at the Community Safety Village in Whitchurch-Stouffville, where teams of 10 come together to fundraise, connect, and engage in immersive challenges that shine a light on the realities of youth homelessness.

If you're joining as an individual, you'll be placed on a team to take part in the experience together. Please see details on how to register.

Overview of the Team Challenge:

Event Details: Thursday, March 5th, 2026 from **7pm - 1 am**

Location: Community Safety Village, Whitchurch-Stouffville. Parking available on site.

Fundraising: Each team has 10 members who pledge \$500+ each. Funds can come from personal donations, company matching, or fundraising activities.

Registration: Each team must select a team captain who will register the group. Individual members register through their team captain as part of the team. This ensures everyone can create their own fundraising page and complete the waiver forms.

If you're joining as an individual, please select **"Individual"** during registration, then search for the team **"Game Changers."** and **"Join"** team. You will receive all the event information and be connected to the team.

Team will have opportunities to:

- Amplify your organization's community impact and leadership
- Take part in a meaningful, hands-on experience that creates real change
- Fundraise to support life-saving programs for youth experiencing homelessness
- Build team spirit while deepening awareness of youth homelessness

"Participating revealed the harsh reality of homeless youth. No child should face the streets, and our involvement raises awareness for 360°kids and vulnerable youth."

Karen Rae, Team Challenge participant

Why Your Participation Matters:

Every dollar raised through the 360°Experience helps provide shelter, food, counselling, education, and job support to youth in crisis. Together, we're creating a community where no young person is left behind.
