Overnight Experience

Thursday, March 5th, 2026 | 7:00 PM

***Imagine this:** You're 18 and just aged out of foster care. With no family or support, you're sleeping in your car and skipping meals. One evening, you hear about 360°kids. You walk in—and for the first time in weeks, someone sees you and offers support.*

Help is finally here.

It's cold. It's real. It's live changing.

The experience begins with an opening ceremony at **6:30 PM**, hosted by Chief MacSween and 360°kids' CEO Clovis Grant. At **7 PM**, you'll step into the shoes of a youth facing homelessness - armed only with the limited resources they have. Navigate the night with a youth scenario, visiting community agencies and supported by a support team. Closing at 6 AM with a hot breakfast Friday morning.

Why participate:
