VIRTUAL INFORMATION GUIDE

Flexible date | 7:00 PM- 1:00 AM

Welcome videos begin at 6:30 PM (optional)

Would you be able to do it?

Spend a night outdoors, in the shoes of a homeless youth, and feel the weight of uncertainty.

Attend class in yesterday's clothes, wondering where you'll rest your head tonight. It's a glimpse into their reality, a chance to understand, and a call to action.

Together, we can make a difference for homeless youth in our community. Join the 360°Experience and stand with those in need.

"The Virtual 360°Experience opened my eyes to the realities youth face. It wasn't just a night outdoors—it was a wake-up call. I left more aware, more compassionate, and more committed to helping."

— Sarah Gildan, past participant
